

AWSRG meeting Little Desert 2015

This years meeting will be held at Little Desert Lodge 27th September to 2nd October 2015. Little Desert NP is 132,000 hectares midway between Adelaide and Melbourne. The terrain is relatively flat, densely covered in a mosaic of habitats which include extensive heaths, woodlands of Brown Stringybark, yellow Gum, River Red Gum, Grey Box, Bull-oak and mallee-heath ridges. Rainfall averages between 400-600mm per annum. The avifauna is varied with over 220 species recorded due to the overlap of the Eyrean and Bassian groups in the park. Little Desert Lodge is located 14km south of Nhill on the Nhill-Harrow Road. This road leaves the Western Highway 2km west of Nhill (Adelaide side of Nhill) and there are signs directing to the lodge from the highway.

Below are details from Craig Partridge outlining costs for the accommodation and catering for the meeting. Check out their website for more information about the lodge and environs. Put the dates in your diary, let Craig and me know ASAP if you intend to attend the meeting. There will be an additional cost of \$50 registration at the meeting. I look forward to seeing you there.

Tony Baylis

ps. If you have a current email and did not previously receive this notice it means I do not have your current email address, if so please email me so I can amend the database.
